As anxieties rise, ERA is in line for a reprise

Groups forming for, against women’s push for constitutional rights

By Stephanie Eibbert

Lena Dunham hasn’t even been born when the Equal Rights Amendment move-
ment spotlighted and died. Today, she’s among the activists and celebrities trying to
revive it, mugging for a social media rave
party to hatch an iconic photo of
the late Phyllis Schlafly.

ty for a debate that has been postponed for far too
long. ERA opponents — who threatened to strike in 1947, rather than ap-
prove that the policy gains of the past
and feeling so of vulnerability among women.
